Greg's (4:10 PM): then you are just wasting my time...

Matilda (4:10 PM): *really*

Greg's (4:11 PM): if you dont know whether you will ever come to America - then yes, it is a waste of time

Matilda (4:11 PM): *but i m trying to renew my passport first*

Greg's (4:12 PM): well, when you get back to America, then shoot me an email, okay?

Matilda (4:13 PM): *ok*

**Matilda (4:30 PM):** no i m not and bye *(she gets pissed)*

**Greg's (4:31 PM):** what do you do for a living?

**Matilda (4:31 PM):** i m now in my last year in the university

**Greg's (4:32 PM):** so you could not leave anyway

**Matilda (4:33 PM):** no

**Greg's (4:34 PM):** then why did you ask for money for a Passport if you can't leave because you are enrolled in school?

**Matilda (4:35 PM):** i will be there for about 1year vacation

**Greg's (4:36 PM):** so in one year you can't make \$100 to get your passport? ? ?

**Matilda (4:37 PM):** i have to pay some bills that time

**Greg's (4:38 PM):** but you don't need a Passport now - just when you're finished with school, right?

**Matilda (4:39 PM):** i really need it

**Greg's (4:39 PM):** need it then, right?

**Matilda (4:39 PM):** yes

**Greg's (4:40 PM):** well, if we know each other better in a year, ask me then, okay?

**Matilda (4:40 PM):** ok

**Matilda (4:45 PM):** accept so that u can seee me

**Greg's (4:45 PM):** accept what?

**Matilda (4:46 PM):** pic shearing

**Greg's (4:46 PM):** I don't have Instant Messenger

**Matilda (4:46 PM):** ok

Greg's (4:46 PM): I chat from Yahoo email

Matilda (4:46 PM): forensic accounting (huh?)

Greg's (4:47 PM): you'll have to send me pictures

Greg's (4:47 PM): email

Matilda (4:47 PM): that is the type of accounting i m doing

Matilda (4:47 PM): ok

Greg's (4:47 PM): lol - okay, forensic accounting...

Notice where I ask her about Pensacola that she fakes being on the phone and finally answers my question 6 minutes later (she needed time to look it up on the net). Also, when I ask her about accounting towards the end, there is a long pause and she wants to leave (because she doesn't know the answer). She then comes back with "Forensic Accounting" which is not a Business Program, but crime scene investigation...

Before you read this next chat session it has to be said that there was a long chat session prior to this. I accidently hit the "Back" button on my browser while I was in the chat session and it logged me out of the chat session and I couldn't save it. The main topic was that she sent me a picture of "herself", which happened to be a picture of Kate from Kate's Playground (popular Internet Porn Star). I recognized who it was (don't ask), and sent a different picture of Kate back to her, thinking that she would wonder where I got a picture of her from. After I sent her the picture of Kate, she responded by saying that I was really handsome (obviously she didn't even look at the picture). I asked her again if she looked at the picture I sent, and she said "yes, you are very handsome". I asked why she was lying to me...

At this time, this is where I logged out of the chat session accidently – I was pissed – I ended up going to lunch before I logged back into the next session.

This is the picture she sent!

This is the picture I sent to her (she said I was handsome!)

Greg's (2:55 PM): I could find that exact picture on her website that you sent me

This is the "new" picture she sent!

This is the first I sent back!

Then this...

Then this...

### **TOO FREAKING FUNNY!**

She insists that it is not the same person as the 3 that I sent back. I emailed her one last time with the message below – immediately after I had her email shut down by Yahoo Abuse.

Hey Nutball;

I just wanted to thank you for such an enjoyable time! Thanks for chatting with me - I was laughing so hard, tears were coming down my face.

Of course I knew you were a scammer - from the minute you asked me for \$100 after talking to me for 20 minutes. Your excuses were the best though!

I loved how you sent me a fake picture to get even with me for talking mean to you - that was great! Unfortunately, I recognized the girl in the picture and the second one as well.

Let me give you some advice since you are extremely stupid - don't use a famous girl when sending out your fake profile pics!

Feel free to contact me anytime if you want to chat more - I could always use a good laugh.

Thanks,

Greg
