

I have wanted to do one of these Hit Man/Call Off The Hit scams and I got sick of waiting. I actually took this beginning email from [www.Scamorama.com](http://www.Scamorama.com) and replied to it like it was sent to me. This was a relatively short scambait, but the funniest thing was the fool's email address – nothing like announcing to the world that you are a killer. Besides the fact the he spelled it wrong too.

YOU BETTER BE MORE CAREFUL!!!

I feel very sorry for you. It is such a pity that this is how your life is going to end, that's only when you don't comply. As you can see, there is no need to introduce myself to you because I don't have anything personal with you, strictly business. I think I should tell you a little secret, I was paid to Eliminate you, and I have to do it in just 10 days. Someone you call your friend wants you Dead by all means, and the person have spent a lot of money on this, he also came to me yesterday and told me that he wants your death to suden and painful as a pay back for a beef you both had. He had given us your names, photograph and all other necessary informations we needed about you. and I sent my boys to track you down and they have carried out a very strict investigation on you. And I can assure you, we have every information we need for the operation now.

But since my data shows that you are innocent and I could make more profit out a double deal. then I called my client back and ask for your e-mail address. And as I write to you, now, my men are monitoring you and your every step.

NOTE: Don't even think of fucking with me, my eyes is on you. So for your own good I'd advise you co-operate with us.

Do you want to LIVE OR DIE? Its up to you, since someone had paid me to eliminate you. Get back to me now if you are ready to do business with me. I might just spear your life.

\$20,000. is all you have to spend. But first you have to pay \$10,000 bucks, to us through any transfer here in Rep of Benin. then I will send a tape to you containing evidence. Then when the tape gets to you, the balance is \$10,000. bucks. I won't entertain any delay in paying the balance. If you are ready to comply with my offer, there is my email address down below this paragraph.

Email me ([assasination\\_killer@live.fr](mailto:assasination_killer@live.fr))

WARNING:- DO NOT THINK OF CONTACTING THE POLICE OR EVEN TELL ANYONE BECAUSE I WILL KNOW.REMEMBER, SOMEONE WHO KNOWS YOU VERY WELL WANT'S YOU DEAD! I WILL EXTEND IT TO YOUR FAMILY, INCASE I NOTICE SOMETHING FUNNY.

DO NOT COME OUT ONCE IT IS 7:00 PM UNTIL I MAKE OUT TIME TO SEE YOU AND GIVE YOU THE TAPE OF MY DISCUSSION WITH THE PERSON WHO WANT YOU DEAD THEN YOU CAN USE IT TO TAKE ANY LEGAL ACTION. GOOD LUCK.

I talked to my friend and he said that this was all just a scam to get money out of me. He says that you don't know anything about me; you're just trying to scare me into paying you money. Since my life is on the line, I want you to prove that this isn't a scam, that this is real. If you prove to me that this is real, and that you have people watching me, then I will pay you to go away. If not, then I guess he was right, that this is just a scam. Since you have people watching me, tell me, what kind of car I drive - if you know this, I will pay you the money.

You are trying us mor and more and that your friend will witness your death,just watch and see how you die painful,for the fact that you went and discuss this with your friend then,watch soon as my boys are following you.

\*\*\*\*\*

So, what you're trying to say is that my friend was right, and you're nothing but a low-life scammer pretending to be a hired killer. I should have known, no real assassin would actually advertise the fact by including it in his email address.

Like I said before, tell me what kind of car I drive, and I'll pay you the money. If not, go jump in a lake...

Greg

Hey Killer,

I am still waiting for you to end my life...Please don't be afraid, I won't hurt you. Stupid freaking, idiot...

Greg

I saw your boys yesterday – I didn't realize when you said "boys", you meant 11-year old children and that you are a pedophile. Is it the fact that they have the same penis size as yourself what attracts you to pre-teen boys? They said they didn't carry out your orders because you like to have sex with goats. I thought that was rather odd but they said they were sick of you trying to have sex with them, and when they said no, you turned to goats. Sounds like you have a real problem there!
